WELCOME!

OneClickdigital offers an easy way to access eBooks from your library. OneClickdigital eBooks are available for download and viewing on Windows and Mac computers using **FREE** Adobe Digital Editions software. You may also read eBooks on mobile devices with the OneClickdigital eReader app.

Before getting started, **ALL** users must do the following:

1 Go to your library's OneClickdigital site and **CREATE** a OneClickdigital username and password by selecting **CREATE NEW ACCOUNT** at the top right.

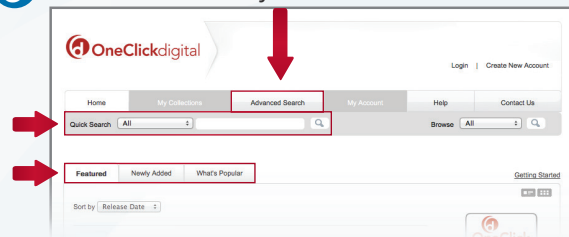

2 **CREATE** an Adobe ID (www.adobe.com/account.html).

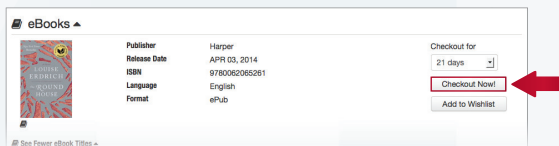

Reading eBooks on Your **Computer**

1 **MICROSOFT 3.5 .NET FRAMEWORK** IS REQUIRED. This download can be found at www.microsoft.com in the **DOWNLOAD CENTER**. *Mac users may skip to step 2.*

2 **ADOBE DIGITAL EDITIONS** is required to use our service for both **Windows** and **Mac** users. It is available at www.adobe.com/products/digital-editions/download.html.

3 You are now ready to **SELECT** an eBook.

First go to OneClickdigital on your library's website. To find a specific title or author, use the **QUICK SEARCH, BROWSE,** or **ADVANCED SEARCH** options. You can also browse titles using the **FEATURED, NEWLY ADDED,** and **WHAT'S POPULAR** tabs.

4 After making an eBook selection, click **"CHECKOUT NOW!"** on the title detail page.

If you are using **Windows,** the **"OPEN DIALOG BOX"** will appear. Click **"OK."**

If you are a **Mac** user, your eBook will download to your dock. Open your downloads and accept the link to open **ADOBE DIGITAL EDITIONS.**

5 **SIGN IN** to **ADOBE DIGITAL EDITIONS** with your Adobe ID. Select **"ADOBE ID"** as your eBook vendor from the top of the drop-down list. At the bottom of the prompt is a checkbox labeled **"I WANT TO AUTHORIZE MY COMPUTER WITHOUT AN ID."** *Do not check this box (if you do, your eBook titles will not be accessible on other devices or computers).*

6 After your eBook loads, you can begin reading!

Reading eBooks Using the **eReader App**

1 **DOWNLOAD** the OneClickdigital eReader from the app store on your device, iTunes, or the Google Play Store. Search for OneClickdigital and select the eReader.

2 After the eReader has loaded, enter your Adobe ID and password.

3 You can now search for eBooks by selecting **"GET BOOKS."**

4 Enter your OneClickdigital username and password.

5 When you have decided on an eBook, simply click **"DOWNLOAD NOW"** to make your selection.

6 Happy reading!
